

Activity #2 – What Else Do We Need To Know??

What are specific opportunities and challenges of each species considered?

Consider the following issues for each species discussed today or other species you may be interested in. Some factors that may merit your consideration include:

- Land price and availability
- Fresh markets
- Frozen markets
- Market/food safety regulation
- Break even prices
- Financing availability
- Local zoning regulations
- Feed availability
- Veterinarian availability
- Knowledge to raise livestock
- Training availability
- Livestock shelter and housing options
- Breeding stock availability
- Labor availability and quality
- Equipment requirements
- Fencing needs
- Dead animal disposal

Now enter issues that are important to you. Make sure to think on the bright side (opportunities) and the down side (challenges). Feel free to continue on back page if you need more space.
